

# GOD IS for US

## God is on Our Side

Arr. by Camp Kirkland  
and Tom Fettke

**WORSHIP LEADER:** (begin at asterisk) *There is nothing that can compare with the promise we have in God's love. And that love isn't a mood or an emotion subject to change. He showed His love to us while we were quite unlovable... in fact, He sent His Son to die for us while we were lost. And through Christ's sacrifice and our acceptance of His forgiveness we no longer need to fear condemnation for our sins. Nothing can come between us and His love. God is on our side... and because of this, who could ever be against us?*

*Although we might be puzzled by problems we don't understand, or discouraged by things that seem beyond our control and endurance, remember this: It is in these times that His grace is given in direct proportion to our need. He is there to stand by us, stand up for us, to save us, redeem us, to heal us, to deliver us.*

*God is for us... say it with me (audience joins) GOD IS FOR US. That's right, and it's absolutely true yesterday... today... and forever.*
